

Dogtown Irish Festival

Plans Being Finalized for Saint Patrick's Day in Dogtown!

Preparations are moving ahead for the big upcoming Saint Patrick's Day celebration in the Dogtown (Clayton-Tamm) on March 17. Those planning to attend the big event in the old South Saint Louis neighborhood on the saint's feast day should be prepared for a few changes and increased security.

For one, Ancient Order of Hibernians Saint Patrick's Day Parade, now in its 36th year (34 years in Dogtown), will step off at **11:00 AM**, a change from last year's start time. Parade organizers felt an earlier start time would make for a more family friendly event. But as in years past, the Hibernians promise this year's parade will be as grand as ever, with over 100 colorful floats featuring Irish Family Clans and salutes to Irish heritage, history, faith, and culture.

The second annual Dogtown Irish Festival is a joint effort of Dogtown United, a group community and businesses leaders, and the Hibernians. The purpose of the festival is to highlight the unique spirit and celebrated history of the Dogtown neighborhood. The Festival kicks off at the conclusion of the Hibernian Parade.

The festival will feature food and drink from numerous vendors, and there will be a Merchant Village on Clayton just east of Tamm with Irish shirts, jewelry, and organizers promise much more. The festival stage, located at Clayton @ Wise by the gazebo, will feature live music from Rusty Nail from 1pm to 5pm.

All outside sales will cease at 6:00 PM and business establishments on Tamm will close at 8:00 PM.

INCREASED SECURITY AND TRAFFIC CONTROL

Those attending the parade and festival will also see increased security from previous years.

Those entering the festival/parade area will be required to go thorough checkpoints. Festival Organizers has contacted for over 75 security guards from Contemporary Services Corporation (CSC) distributed between 25 entry/exit areas and along the parade route. Security will be operational between 6:00 AM to 10:00 PM to enforce festival policies, direct traffic, marshal the route, and protect street closures. A list of checkpoints is listed below.

No Parking along the parade route will be enforced promptly at 6:00 AM on the morning of the 17th. The parade route will be locked down to public traffic at 8:00 AM. All are strongly advised to avoid driving near the parade route after 8:00 AM due to traffic congestion. When possible, please consider carpooling, using a cab, or arranging a drop-off as parking in Dogtown will be **extremely limited**.

A new safety feature added this year is **TAMM AVENUE AND ALL CROSS STREETS ONE BLOCK IN EACH DIRECTION WILL BE CLOSED BETWEEN 6:00 AM TO 10:00 PM** to ensure pedestrian safety. (*See "Street Closures" below*)

Many of these cross streets off Tamm will be designated "NO PARKING" areas. (*See "No Parking" list below*)

Parking and traffic along this portion of Tamm will not reopen until later than in prior years. It will assist festival organizers in disbanding the event and also allow the group to clean the site before street parking and normal traffic resumes.

To prevent unauthorized vehicles from accessing the parade route and festival area, heavy barricades will be placed on most of the streets intersecting with the parade route along Tamm. These streets will remain blocked until cleaning is finished and they are reopened. Potentially as late as 10:00PM

When departing the festival area, please be advised that east/west traffic through the festival area will be limited on March 17th. Manchester will remain open throughout the day. Otherwise, if you are parked to the west of Tamm, please depart the neighborhood heading west toward McCausland or Skinker. If you are parked east of Tamm, please depart heading east toward Hampton.

NO OUTSIDE ALCOHOL ALLOWED

As in prior years, coolers and backpacks are prohibited from the festival area. Any and all outside alcohol and glass containers are also prohibited. Anyone found by security staff with these items will be turned away. An exception will be made for families with young children to bring a backpack or small cooler for childcare purposes. All bags and personal belongings are subject to search by security staff.

The Festival organizers want to remind those attending St. Patrick's Day festivities on March 17 that the Dogtown/Clayton Tamm neighborhood is a residential area and that everyone should be respectful of both local residents and their property.

Trespassing can be punishable by up to one year in jail and/or a significant fine. Vandalism can result in \$250.00 to \$500.00 fine and/or 90 days in jail. Also illegally parked vehicles will be ticketed and towed.

Festival organizers urge all attendees to drink responsibly and drink plenty of water. Please help out the local residents by putting your refuse into a nearby trash bin or recycling bin which will be deployed throughout the area.
